

Iowa Children's Water Festival

February 22, 2017

Dear Volunteer:

It's time once again for the Annual Iowa Children's Water Festival and we need your help! The Water Festival will take place on **Thursday, May 11, 2017** at the Des Moines Area Community College Ankeny Campus. Approximately 2000 5th grade students around the state of Iowa have registered for the festival. We will need approximately 200 volunteers to make this event happen.

Attached you will find an individual volunteer sign-up form. Please fill out the forms with your contact information and job preference and mail them to me (address below) as soon as possible, and no later than April 28th. Feel free to make copies of these forms and share with friends and colleagues who might be interested in volunteering.

Our volunteer committee will be sending out a confirmation letter approximately one week before the festival to let you know when to arrive on campus, where to report, what your job will be and what to expect. Training for some positions will occur the morning of the festival to make sure everyone knows where to go and what to do. As always, comfortable shoes, clothing for unpredictable weather, and watches for keeping track of time are critical necessities.

Without you, an annual water festival is not possible. Thank you in advance for helping to bring "A Splash of Educational Fun" to 5th grade students around the state of Iowa!!

Sincerely,

A handwritten signature in black ink that reads 'Linda Kinman'. The signature is written in a cursive, flowing style.
